

MOLINE'S SECTION OF THE ARGUS

TUITION HIGHER THAN LAST YEAR

New Laws Governing Non-Resident Pupils at Moline Schools.

WILL MAKE DISTRICT PAY

Fees Must Be Guaranteed by Second Week of Term—Issue New Manual at High School.

New tuition rules have been adopted in the Moline schools this year relative to non-resident pupils. This year the fees must be guaranteed by the close of the second week of the term, either by the parents or guardian of the pupil, or the district from which he or she comes. The new law also states that the school district from which the pupil comes must pay the tuition fee, providing the district provides no adequate high school course.

In addition to the new rules, an increase in the fee goes into effect. Last year the high school fee was \$25 per

year, while this year it is \$45.00 per month, or \$450.00 per year. In the graded schools the non-resident fee is \$25.00 per month, or \$250.00 per year. The former fee was \$18 for the year. A change has been made in the kindergarten fee, which is now \$1 per month.

New Manual Out.

A booklet of 48 pages has just come from the printer for the Moline high school, giving complete information as to regulations of the high school, admission, the school year, information regarding tuition and non-resident pupils, reports to parents, examinations, absence and tardiness requirements, fraternities, library regulations, credits, etc. This is the first time such a manual has been issued since 1908, and it is distributed to parents or citizens and pupils who call for it.

SYNOD HONORS LOCAL PASTOR

Rev. Samuel Miller Called to New Position as English Field Secretary.

Rev. Samuel M. Miller of the Moline Trinity Lutheran church, has been

honored with a call to the position of English field secretary of the Augustana synod. At present there is but one man engaged in this work, which consists largely of the organization of churches. Rev. F. O. Hanson of Duluth is the man. As the territory comprises almost the entire United States, the synod thinks it advisable to put more men in this field and has asked Mr. Miller to accept such a position. Mr. Miller has not decided as to whether or not he will accept the offer.

INFANTILE PARALYSIS APPEARS IN WAUKEGAN

Waukegan, Ill., Oct. 2.—With five cases of infantile paralysis in Waukegan and with the health department afraid that a serious epidemic is impending, Dr. C. E. Crawford of the state health board came to Waukegan yesterday on request of Health Commissioner J. C. Foley. He visited the schools and various sections where cases have appeared.

Dr. Foley has warned residents to keep their children off the streets and from moving picture theatres where they are under school age.

One death has been reported during the outbreak.

WILL FLOAT FLAG AT NEW BUILDING

New High School Ready for Occupancy Beginning of Second Semester.

"Old Glory" floats today from the roof of the new high school building. The flag was raised this morning without special ceremony, and hereafter all flag days will be observed there as at the other buildings. School authorities are hoping that some patriotic citizen of the city will donate a 16-foot flag to the high school.

Announcement was made today that the new building will be ready for use at the beginning of the second semester of the school year. The heating plant has been installed and the chimney completed. Several of the rooms are already plastered and contractors are rushing the work.

Plans for the dedication of the new building will be made in the near future by the board of education.

ANOTHER "DIP" ARRESTED HERE

Hoboes Infest City and Police Are Having Trouble With Them.

Moline police arrested another "dip" this morning on Fourth avenue near the corner of Fourteenth street, when he was caught in an effort to relieve a local citizen of his diamond stick-pin. There was another man in company with the "dip" when arrested but the police do not believe he is in any way connected with the attempted robbery. The man was under the influence of liquor when arrested. The city is known to be overrun with tramps and the police are of the opinion that the two arrested today are of this class.

The two men went up to a Moline citizen and asked him for money. The citizen happened to be hard of hearing and bent his head forward in an effort to catch the hobo's words. One of the two men then succeeded in taking his tie pin, but another citizen standing nearby witnessed the act and called a policeman.

At the police station both men gave the name of John Doe, and the police have them registered as John Doe No. 1 and John Doe No. 2.

A short time later another tramp was arrested at Thirteenth street and Fourth avenue. He told the policeman who made the arrest that he had had nothing to eat for three days. He was taken to the police station and given a hearty feed.

Cases of the pickpockets will come up for a hearing in court tomorrow.

H. A. JANSEN IS NAMED NEW HEAD

Greater Moline Committee Picks Officers—Lourie Given Thanks.

H. A. Jansen was elected president of the Greater Moline committee at the weekly meeting of that organization this noon, succeeding R. B. Lourie, to whom was given a vote of thanks for his splendid work during his incumbency.

Other officers are:

First vice president—A. G. Abraham.

Second vice president—F. L. Sherman.

Third vice president—J. E. Boden.

Fourth vice president—George McMaster.

Fifth vice president—R. M. Johnson.

Treasurer—O. E. Mansur.

Dr. W. E. Taylor acted as chairman of the nominating committee and he submitted the above names to the membership, whereupon they were accepted unanimously.

The committee endorsed the bond issues for two new bridges and a new county jail and promised to cooperate with business men in the campaign for these improvements.

Dr. Taylor made report on the gardening contest, which has been conducted during the summer, and read the names of the prize winners.

COMPANY SETTLES CASE FOR \$3,000

Descendants of John Miller Receive Large Sum From Burlington Line.

The case of the administrators of the estate of John Miller against the Burlington Railroad company, in which \$10,000 was asked following an accident at the Fifty-fifth street crossing in which Mr. Miller lost his life, was settled out of court for \$3,000. Dietz and Dietz appeared as counsel for the estate, while Walker, Ingram & Swenson represented the railway company. The suit would have been heard in the present term of circuit court had it not been settled.

Mr. Miller was crossing the tracks in his auto at Fifty-fifth street just ahead of a Burlington train and his engine became stalled. The train struck the automobile, the occupant being killed. It was claimed that the train was running at an illegal rate of speed.

SHIP GRAIN AND COTTON REGARDLESS OF THE WAR

Washington, Oct. 2.—Although government revenues from customs fell off about \$5,500,000 during September compared with the same month in 1913, treasury officials today found some comfort in figures showing recent exports of grain and cotton. There was encouragement, too, in the announcement that for September the ordinary internal revenue receipts were almost \$6,000,000 above those for last September, although this increase is said to be due to unusual causes not likely to figure in future months.

Despite the help from increased internal revenue the total receipts for the month from all sources were nearly \$6,000,000 under last September, and the excess of disbursements for the month was nearly \$9,500,000, while in September, 1913, the excess of disbursements was about \$4,000,000.

During the week ending yesterday 58,114 bales of cotton were exported, and yesterday's grain exports aggregated 1,935,000 bushels.

2 TRY TO ESCAPE PRISON

Joliet "Trusty" Reveals Plan and Chicago Criminals Are Seized.

Joliet, Oct. 2.—A daring attempt at escape from the Joliet prison by two desperate Chicago criminals now serving life sentences for murder, was frustrated because of the loyalty of a prison "trustee" on Wednesday, according to Warden Allen.

Charles Hanson, who participated in the shooting of a Chicago policeman in 1907, was found in a crate used for shipping shoes, and Raymond Conkling was found crouching in a laundry basket. The "trustee" had agreed to drive the wagon into which the crate and basket had been placed, to the Chicago-Joliet road and allow the men to escape.

The plan had been revealed to Warden Allen by the "trustee" a week ago and four guards seized the convicts before the wagon had passed the second of the double gates.

PERSON SAYS HE KILLED TO PROTECT HIS OWN LIFE

Lincoln, Ill., Oct. 1.—Carl Person went on the stand here late yesterday and told his own story of the shooting of Antoine Musser. His story was not shaken by cross-examination. He said: "Twice last summer I had been attacked in Decatur by men whom I did not know. I was repeatedly warned by my friends that the nonunion men of the Illinois Central had sworn to kill me. So I bought a revolver.

"Some one called me to the intersection station, saying that he was a friend. I walked down there, and was standing alone when some one struck me from behind. I fell to the pavement and a man twice my size leaped upon me. I could only hear the words, 'Kill him! Kill him! Kill him!' I got up. I do not know how, and staggered away, dazed. I do not know how far I went, but I saw a man lunging toward me. No one was holding him. Then I fired to protect my own life."

The state plans to call a large number of witnesses to impeach the testimony of the defense. The case will in all probability be in the hands of the jury by Saturday night.

NEW THEATRE ON BLUFF

Contract Awarded for Structure by Shalberg Brothers.

A new moving picture theatre, to take the place of the Central, is to be erected on the bluff at 1508 Fifteenth street, and the contract was awarded this morning at the Howlett Construction company. Shalberg brothers will be the owners. The seating capacity will be 600.

MOLINE DROPS IN REAR

Many Memberships Expire at Local Association Oct. 1.

Moline has dropped hopelessly in the rear in the state Y. M. C. A. membership campaign being conducted this week, owing to the fact that so many memberships expired Oct. 1. Last year a large number of members were taken in and their cards expired yesterday. Up until the time of this expiration Moline led easily, but does not hope to land the prize now.

VACANT PLACES IN THE CHORUS ARE ALL FILLED

The Wennerberg chorus of Augustana college has now tried out all the candidates for positions on the chorus left vacant by graduating members. The successful candidates are: Hjalmer Berg and Carl Swanson in the first tenor division; Hugo Gibson and Harry Winstrom in the second tenor; Paul Randolph and Dan Freden in the first bass.

CAMBRIDGE

O. O. Krans returned home Saturday from Macoun, Canada, where he was looking after his farm interests.

A little son of Mr. Hagz, who lives south of town, fell from a teeterboard last Friday and broke both bones below the elbow.

Mrs. E. A. Anderson returned Wednesday from a visit with relatives at Galva.

Mr. and Mrs. George C. Wiley of Twin Falls, Idaho, are visiting at the home of Mrs. Wiley's parents, Mr. and Mrs. J. S. Grove of Cambridge.

Swan Newman and Charles Erickson visited the state fair at Springfield last week. A total of \$28 was received in premiums from the Cambridge and Kewanee fairs by the pupils of the schools. With this money and an entertainment fund which was made last year, the teachers have purchased a Victrola, a hundred dollar machine. The board of education gave \$10 towards buying records.

Before long the school campus will be fully equipped with play apparatus. A basketball court was added last week and a 24 foot trapeze outfit has been ordered and will soon be in use.

Finley Brink left Saturday for Springfield where he will attend the boys' state fair school. He received a special appointment from Superintendent F. G. Blair and goes as a representative of Henry county in the school.

Fire drills began last week in the schools. A system has been planned by which it will be possible to clear the building within a minute's time. A corps of high school boys has been appointed as fire fighters.

Mrs. L. C. Miller and son, Henry, of Mt. Erie, Ill., arrived Friday for a visit with her daughter, Mrs. William Floyd.

Marshal Orr of Danville, Iowa, is expected here to visit his sister, Mrs. William Floyd.

County Superintendent A. L. Odenwiler attended the state fair at Springfield last week and looked after the interests of Henry county.

MERCHANTS HERE WILL CO-OPERATE

G. M. Committee and Retail Association Boost Jail and Bridges.

JOINT MEETING IS HELD

Discuss Bond Issue to Be Voted Upon at Polls in November—Urged to Favor Bond.

The Greater Moline committee and the Moline Retail Merchants' association at a joint meeting held in the Commercial club rooms last evening, decided to co-operate in the matter of supporting the proposed bond issues for a new county jail and new bridges. The issue will be up before the voters at the November election and if passed will mean the bonding of the county to the extent of \$150,000 in order that the improvements can be carried out.

Will Work Together.

These two powerful local organizations will work together in securing votes and will urge their members and all voters of the county to support the proposition at the polls.

It is said that the increase in the tax rate will be so small for the bonding as to hardly be noticeable. It will be distributed over a period of 19 years.

CANDIDATES MUST JOIN ASSOCIATION

At a meeting of the Moline high school board of athletic control, held yesterday afternoon at the school, decision was reached to enforce the rule regarding the eligibility of all candidates seeking a place on the high school football team, or in any other branch of high school sport, hereafter. This rule declares that all candidates must be members of the athletic association of the high school or they will not be permitted to try for the team. The cost of membership is 25 cents. Manager Tillotson of the football eleven has been seeking bids for the erection of the bleachers at Browning field, and stated at yesterday's meeting that the contract would be awarded in the near future.

KAUTZ LIVERY BUSINESS SOLD AT PUBLIC AUCTION

The F. W. Kautz & Son livery stable business here, including harness, buggies, horses, etc., was sold yesterday at public auction. There was not a large crowd present and prices paid were exceptionally low. The highest price received for a team was \$285, and for a single horse, \$100. In all 25 head of horses were sold. The stable has been located at 1317 Fourth avenue, but automobiles have injured business of late years.

HIRES HORSE AT STABLE BUT FAILS TO COME BACK

Monday evening a man went into the Kautz livery stable and hired a horse and buggy. He had hired animals at the stable before and was therefore allowed to take the outfit. He left and has not been seen or heard of since. Neither has the horse or buggy. The police have been notified and are investigating. It is believed that the man sold the horse to a passing band of horse traders.

TAKE SALTS TO FLUSH KIDNEYS

Eat Less Meat if You Feel Backache or Have Bladder Trouble.

Most forms of acid when acetate and overwork the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve these like you relieve your bowels: removing all the acids, waste and poison, else you feel a dull ache in the kidney region, sharp pains in the back or sick headache, dizziness, your system aches, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's uric waste, get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act like and bladder disorder disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.
